Cancellation Policy

In the event of a cancellation by a tenant the following policy will apply:

30 days or more (prior to arrival date): deposit shall be refunded to tenant less the administration fee and \$100. cancellation fee payable to the Broker.

*Security deposits are refunded in full to the tenant in the event of a cancellation.

Under no circumstances may an owner cancel a reservation that has been placed by Cabrera Realty. The only exception is in the event the property sustains catastrophic damage, leaving the property inhabitable.

Tenant Security Deposits

A minimum \$100 security deposit is collected on all reservations/leases. Security deposits are escrowed by **Cabrera Realty** in a non-interest bearing escrow account. The purpose of the security deposit is to protect the owner against misuse and damage of the property.

In the event the tenant opts to purchase **Property Damage Protector Insurance** offered in conjunction with our tenant services, Cabrera Realty will waive the security deposit as the tenant has obtained insurance to cover the cost of any possible misuse or damage.

Cabrera Realty will notify the owner in the event of any major damage found or reported to our office. In the event the owner or owner's contractor discovers the damage, owner must notify Cabrera Realty within 1 week of the tenant's departure as to the nature of the problem. The owner must provide Cabrera Realty with a statement of the issue, and any and all bills, invoices, or receipts incurred as a result of the problem. As required by law we must provide the tenant with this information within 30 days of their departure.

It is at the owner's discretion as to whether Cabrera Realty will facilitate the repair or replacement in conjunction with our Maintenance Program (as outlined on page 7), or to coordinate the repair with an outside contractor.

In the rare occurrence the cost of the damage/repair exceeds the security deposit we will attempt to collect the remaining balance from the tenant. If we are unable to collect said funds, the owner will be responsible for the additional cost of the repair/replacement or be responsible for collection of the funds from the tenant directly. Cabrera Realty is not responsible for the collection or payment of said funds.

Cabrera Realty will not retain security deposit funds unless it can be determined, **with certainty**, that the tenant caused the damage. Deductions will not be made from security deposits for normal wear and tear. Normal wear and tear would include, but not be limited to, small stains/spots on carpeting, marks on walls, sofa bed frames, small tears in screens, scratches/spots on counter tops, adjustments to vertical blinds/window coverings, dirty upholstery, damaged drawer slides, broken locks/handles/knobs, etc.

Rental Rates

Rental rates will be determined by the vacation home owner, with guidance from Cabrera Realty. Cabrera Realty encourages our vacation home owners to complete the rate schedule and provide nightly rates as well as weekly and/or seasonal pricing.

Any owner marketing for a seasonal tenant will be advertized in that manner until June 1st. In the event a seasonal tenant has not been secured the vacation rental will be added to the weekly rental program and advertized in that manner.

If you do not desire nightly rentals, leave the nightly rental amount blank on the rate schedule for the applicable season. Please be aware that if nightly rental amounts are not provided to Cabrera Realty the vacation home will not be included in nightly promotions and packaging geared to shorter stays.

Availability Calendar

The vacation home owner agrees to make 4 prime season weeks available to Cabrera Realty for rental. Prime season is defined as July and August. Please strike all unavailable dates on the enclosed availability calendar.

Upon receiving the listing package, Cabrera Realty will block the dates the owner has requested. Cabrera Realty will provide the owner with a web link, username, password, and instructions to access the availability calendar. **IT IS THE OWNER'S RESPONSIBILITY TO CHECK AVAILABILITY AND BLOCK ANY UNAVAILABLE DATES FOR THEIR USE OR THE USE OF THEIR TENANT!** The availability calendar is directly connected to our rental software and is utilized to determine what properties are available for the requested time period. All unblocked time periods are considered available for rental and will be marketed accordingly as our software offers real time availability to our clients.

In the event the owner is unable, for any reason, to maintain their availability calendar the owner **must fax (609.729.8844) or email (rentals@cabrerarealty.com) Cabrera Realty rental agent** in order to verify availability or to block requested dates.

If the vacation home owner has listed their property with additional agencies for rental, it is the homeowner's responsibility to update their online availability calendar or notify Cabrera Realty of any outside agency reservations. Cabrera Realty will email the **owner** upon securing a reservation and will update the online availability calendar accordingly. **It is the owner's responsibility to notify any outside agencies of reservations procured by Cabrera Realty.**

Tenant Dissatisfaction/Inability to Check-in

Cabrera Realty accurately describes our vacation homes, providing photos, online inventories, and opportunities to physically view the property. Occasions do arise when a tenant is dissatisfied with a rental property or a major problem occurs with the property that cannot be abated in a timely fashion. Should this occur, our first course of action will be to accommodate the tenant in a reasonable manner so as not to lose the rental income for the owner. Using our discretion, we will compensate the tenant up to 20% of the rental, chargeable to the owner. Should this fail, we will contact the owner to determine if an alternate solution can be found.

In the event the tenant decides to vacate the property, Cabrera Realty will return to the tenant the rental amount paid for the nights not stayed or in extreme circumstances the entire rental amount.

If a tenant is unable to check-in to the property, on the check-in date due to causes such as the property has been damaged by fire, flood, hurricane, other natural disasters, break down of major mechanical system and/or other significant damage; or if access bridges or roads are closed or impassable due to fire, flood, hurricane, natural disaster, or otherwise, Cabrera Realty shall refund to tenant the paid rental amount. Frequently Asked Questions

- 1. Why should I list with Cabrera Realty?** Cabrera Realty values its owners and vacation renters. We provide the owner with exemplary rental assistance, maintenance, property management, cleaning services and sales options. We are a reputable and well-established real estate company servicing North Wildwood, Wildwood Crest and Diamond Beach. Many of our vacationers are repeat tenants as they are welcomed and cared for throughout their stay.
- 2. How do I list my unit?** Just complete our Listing Agreement in a timely fashion so that we can begin renting the unit as soon as possible. If you would like to submit your own written property description, please send it in with the listing agreement. Our Rental Specialist will take it from there and place your property on our website, pooling potential clients and securing reservations.
- 3. What paperwork is required from me?** We will require the Listing Agreement and all documents tabbed in yellow, W-9 form, Spring Cleaning Check List and a current Mercantile License. Forms are available on the Cabrera website: www.cabrerarealty.com. A Mercantile License and a Fire Inspection are required in order for you to rent your unit. If you do not comply, you will be subject to fines.
- 4. How does Cabrera market and advertise my rental property?** Our marketing is through electronic means such as email blasts, search engines, pay per clicks, and through other partner websites. Please consult your vacation specialists for more information.
- 5. How many keys do you require that I provide for your office?** Each owner provides 4 sets of working keys with fobs for all locks. If you are using Cabrera Clean Team, we require 5 sets. We ask that each key be tested prior to bringing them to the office to insure proper accessibility.
- 6. Once I list my property, how long does it take before it is online?** Once we receive your agreement, we visit the property, take photographs for the website, confirm the seasonal rates, and then upload the property in our Rental Program.
- 7. When do I receive my checks?** By the 15th of each month, owners receive a statement and a net rental proceeds check for all reservations/leases for which a tenant has checked out in the previous month. The monthly statement will outline all deductions to rental proceeds, e.g. leases checking out between 8/1-31 will be paid by 9/15.
- 8. What happens if an issue arises in my unit during a rental?** Typically, the vacationer notifies our office about the issue and we in turn place a call to the owner to report the issue. At that point, a decision is made on how to best handle the issue, offering suggestions or repair/service contractors should the situation warrant. If the homeowner cannot be reached, we will remedy the situation if it is interfering with the tenant's vacation. Additional expense may be incurred.
- 9. Will you give out keys to my renters?** We offer a Plus Program to any owner who is listed in our rental program. We provide your tenant with a welcome packet including property map, parking tags, and keys for the rental unit. We also respond to maintenance issues and provide your guest with an emergency hotline phone number for after hours issues that they might encounter. The cost of this additional service is \$300.00 for the entire rental year.

Frequently Asked Questions

10. What do I do if there is damage to my unit? The cleaning service that is contracted for your unit must notify us immediately of any damages to your unit. We will immediately assess the damage, take photographs and contact the tenant about the problem and how it will be dealt with going forward. We will not release any deposit until an agreement with the owner and tenant is reached. This process is only applicable to a Cabrera tenant not and owner tenant.

11. Should I provide linens and towels? No, this is not necessary. Our website and rental contracts state that linens and towels are not provided. If you provide them and they are removed or left unwashed, we will not hold the tenant responsible.

12. How do I let my tenants know about the rules of the property? Rules should be posted in your unit which include recycling and trash procedures. You should also provide specific instructions for your TV/DVD/cable set-up. Be sure to include the settings that any of your components require. Many homeowners provide binders with helpful information and resources so that renters can enjoy their vacations – and the area – to the fullest. Operating instructions for A.C., grills, sound systems and internet passwords are also useful pieces of information to provide to your renters.

13. Is it advantageous to provide TV's and DVD players in the bedrooms? Yes! Vacationers today have DVD's in their cars and are accustomed to this convenience, and many specify wanting a rental unit with this feature.

14. Should I provide internet connection for my renters? This is an advantageous selling point for your property.
